

XXIIIrd National Conference of Thermodynamics with International Participation

NACOT 2023
11-12 May 2023
Galati, Romania

Distinguished Colleagues,

The XXIIIrd Conference NACOT 2023 shall take place between May 11 and 12, 2023, in Galati, Romania. Conference topics include: Applied thermodynamics; Heat and mass transfer; Fluid dynamics and CFD; Refrigeration and heat pumps; Power generation and CHP; Renewable energy (solar, wind, hydro, biomass, etc.); Energy storage; Energy use (industry, building, transportation, desalination, etc.); Environmental impact of energy conversion.

We cordially invite you to communicate your recent research to the NACOT 2023 audience. The peer-reviewed papers will be published in IOP Conference Series: [Materials Science and Engineering](#) indexed in leading databases (Web of Science, Scopus)

Important Date

December 20, 2022: Deadline for abstract submission

January 20, 2023: Notification of abstract acceptance

March 01, 2023: Deadline for full papers submission.

April 01, 2023: Notification of paper acceptance.

April 15, 2023: Deadline for fee payment

For additional information please see [Conference web page](#).

The [Morressier platform](#) was selected by the IOP Conference Series, to manage and speed up the paper's publication process. Only papers submitted through this platform will be reviewed and further processed. Papers send by e-mail will not be accepted.

After abstract acceptance, you can submit your papers using the [Morressier link](#) for the conference. We look forward to hearing from you soon.

Best Regards,

Organizing Committee

Department of Thermal Systems and Automotive Engineering

Faculty of Engineering

“Dunarea de Jos” University of Galati

ROMANIA
